Dear Parents and Carers,

### **Christian Ethos Parent Voice**

At the end of last year, we sent a parent survey asking for your views on the Christian ethos and teaching of RE in our school and for your input regarding which Christian values and vision that you think are important to the school. We are pleased to announce that after speaking to parents, pupils, governors and staff we have developed a new school Christian vision and values which will be summarised in this letter. For a complete overview of our new Christian Vision and Values please visit our school website:

<https://stanton-in-peak-ce-primary.secure-primariesite.net/christian-distinctiveness/>

### **Our Christian Vision:**

*'As a community we nurture our pupils' spiritual, moral, social and cultural development with the aim of encouraging children to live life in all its fullness through the Christian values of love, respect, empathy, belief and kindness. We do this through our love of life and the great outdoors encouraging the children to be stewards in God's world, spreading his love and light.'*

### **Our Christian Values:**

Our visions and values are at the core of everything we do. They underpin our teaching and learning, and provide an environment which prepares our pupils as confident, happy citizens. Whilst we teach and live by all Christian values the main values chosen by our stakeholders are as follows:

Love, respect, empathy, belief and kindness.

After reading the parent comments on our Christian Vision survey, we have chosen the following quote to reflect our educational aims:

**“Life in all its fullness.” John 10:10**

**SPRING 2017  
OUTSTANDING CHURCH SCHOOL**

We have already discussed our new vision and values with our pupils and hope that we can work together to ensure our children develop spiritually and morally so that they can live life in all its fullness.

Best wishes,

Alexia Wyer  
Executive Headteacher
