## Home/School Agreement

	<i>The school will.....</i>	<i>As a pupil I will....</i>	<i>As parents we will.....</i>
<i>Our Online Aims</i>	Use Google Classroom to provide a purposeful, stable, safe and secure online environment in which to learn.	Work hard as a member of the school community and try my best to complete my work to the best of my ability.	Ensure my child takes part in online lessons and meets every day, where possible, and encourage them to participate fully in online learning.
<i>Our Online Work</i>	Provide an exciting and stimulating curriculum which will prepare children for the next steps in their educational journey. This may involve different types of online and offline learning.	Work to the best of my ability, trying hard at all times to achieve my targets. Complete work on time where possible. Take part in my class live lessons and meets when possible. Look after and respect everyone online.	Support my child with their work, encourage them to try their best and complete any work at home. <i>We recognise support will vary dependent on individual situations.</i>
<i>Our Home/School Links</i>	Provide feedback to work handed in. Communicate via email, phone and online meets. Set differentiated and achievable work online to extend the curriculum and provide opportunities for independent learning.	Talk to my parents about schoolwork. Listen and respect my parents when they help with online work.	Work in partnership with the school. Support the school and my child with their learning. Encourage my child to develop a positive attitude.
<i>Our Online Behaviour</i>	Care for your child's safety and well-being. Promote and reward good behaviour. Teach your child to develop a positive attitude towards others. Provide opportunities to learn about age appropriate online safety.	Be friendly, polite and welcoming to all pupils and adults in the school. Follow my classroom rules and the school's behaviour policy. Try hard to be polite and helpful to everyone.	Read the Stanton behaviour policy and encourage my child to follow the school rules.
<i>Our Online Attendance and Punctuality</i>	Check attendance to online meets and live lessons and monitor home learning regularly. We will contact parents with any concerns.	Attend online meets and live lessons every day (except when I am not well enough or there are other exceptional circumstances). <b><i>As a school we recognise there may be times where home education will not happen on a certain day due to other circumstances.</i></b>	Ensure my child attends online meets and live lessons every day (except when I am not well enough or there are other exceptional circumstances). I will inform my child's teacher if they will not be attending meets or completing school work on a certain day.
