Dear Parents,

Subject: Volunteering Opportunity for Primary School Careers Day

I hope this letter finds you well. Our federation is organising a Careers Day for our primary students on **Friday 19th July**, aimed at exposing them to a wide array of professions and career paths. To make this event a success, we are reaching out to you, our wonderful parents, to kindly volunteer your time and expertise or to pass these details to any past students or members of the community who may be interested.

We believe that exposing our young learners to various professions at an early age can significantly impact their future career decisions. By showcasing different career paths, we hope to inspire and motivate our students to dream big and explore diverse opportunities. We hope to also form links between the children's learning and their possible career paths.

Volunteering for Careers Day is a fantastic opportunity for you to share your professional experiences and expertise with our students. Whether you work in healthcare, engineering, arts, technology, have your own business, or any other field, your insights and stories can make a profound difference in shaping our students' aspirations.

The format of the event will involve short presentations or interactive sessions where you can talk about your profession, share anecdotes, answer questions, and perhaps even demonstrate certain aspects of your work. The time commitment for volunteering is flexible, and we appreciate any amount of time you can spare- from 10 minutes to half an hour.

If you're interested in participating as a volunteer for our Careers Day, please fill out the attached form indicating your availability and preferred activities. Additionally, feel free to reach out if you have any questions or require further information about the event.

Your involvement in this initiative is invaluable, and we sincerely thank you for considering this opportunity to contribute to our students' educational journey.

We look forward to your participation and to making our Careers Day a memorable and enriching experience for our students.

Warm regards,

Alexia Wyer
Executive Headteacher
The Peak Tor Federation

I would like to tentatively volunteer to share my experiences at careers day (Friday 19th July).

- I have time to share my experience at Rowsley
- I have time to share my experience at Stanton
- I have time to share my experience at both Rowsley and Stanton

Name:

Occupation:

NB: Anyone who volunteers will receive further information.

You are not fully committing at this point.
